*Add a labyrinth
to your facility.*

*Offer your
guests
another
avenue of
health, stress
reduction
and wholeness.*

*Our designs work with
the natural elements of a
site to create a welcoming
and harmonious experience
for your guests.*

Any reasonably open
area from 400 to
10,000 sq. ft. can
host a labyrinth site.

We offer a variety of
patterns and sizes, with
5, 7, 11 and 15 circuit
labyrinths.

We produce labyrinths scribed
into the earth.

Our unique method is all
natural, using no chemicals.

We can integrate natural
features, with existing trees
and shrubbery to enhance
your design.

A labyrinth is a walking path in one of several ancient patterns. For thousands of years many different cultures have been creating these walking patterns that lead inward.

A Labyrinth gives

- a brief walking exercise away from the world
- a balanced series of turns and gentle pacing
- quiet measured activity
- meditation
- stress reduction
- reflection and perspective on the world and life's issues

A labyrinth on your grounds will enhance the experience of your guests.
